Dear Llywydd,

The Health Protection (Coronavirus, International Travel) (Wales) (Amendment) (No. 9) Regulations 2020

In accordance with sections 4(1) and 11A(4) of the Statutory Instruments Act 1946 I am notifying you that this Statutory Instrument came into force before it was laid. I attach a copy of the statutory instrument and I intend to lay this and an accompanying Explanatory Memorandum once the statutory instrument has been registered.

The Regulations made today further amend the Health Protection (Coronavirus, International Travel) (Wales) Regulations 2020 to remove the following countries and territories from the list of exempt countries and territories:

- the following Greek islands: Santorini, Serifos and Tinos

The Regulations make these changes due to the identified changes in risk to public health posed by arrivals from those countries and islands.

The Regulations also make a further amendment in respect of the insertion of additional sporting events into Schedule 4.

Not adhering to the 21 day convention and bringing them into force before they were laid allows these Regulations to come into force at the earliest opportunity, and in view of the changing evidence on risk in relation to this disease this is considered necessary and justifiable in this case.

Due to the immediacy of the Regulations they have not been subject to consultation.
