

WRITTEN STATEMENT
BY
THE WELSH GOVERNMENT

TITLE **The Health Protection (Coronavirus, International Travel) (Wales) Amendments**
DATE **17 September 2020**
BY **Vaughan Gething Minister for Health and Social Services**

Members will be aware that the UK Government made provision to ensure that travellers entering the United Kingdom from overseas must self-isolate for 14 days, to prevent the further spread of coronavirus. These restrictions came into force on Monday 8 June 2020.

On 10 July the Welsh Government amended the Regulations to introduce exemptions from the isolation requirement for a list of countries and territories, and a limited range of people in specialised sectors or employment who may be exempted from the isolation requirement or excepted from certain provisions of the passenger information requirements.

Since then these regulations have been kept under review and a number of changes to the list of exempt countries and territories have been made.

Yesterday I reviewed the latest JBC assessments and I have decided that Guadeloupe and Slovenia will be removed from the list of exempt countries and territories and that Gibraltar and Thailand will be added to this list. Tomorrow I will lay the necessary regulations which will come into force at 04:00 on Saturday 19 September.
