

P-04-686 Install a Traffic Lights System at Cross Hands Roundabout

This petition was submitted by Rhodri James, having collected 27 online signatures.

Text of the Petition

A recent published statistic shows that Cross Hands roundabout is the 3rd most dangerous in Wales for traffic accidents and people hurt. Anyone who is based in the area or travels through regularly will know how treacherous it has become. Please sign and share to force through a resolution.

Additional information

Opposition argue that traffic lights will slow down an already busy road. Carmarthen and Pont Abraham roundabouts had traffic lights installed long ago and congestion in both locations is not a serious issue. As the roads get busier, it is only a matter of time before somebody gets seriously hurt. Please let common sense prevail and help force through action to make this stretch of road a great deal safer for all motorists.
