Dear William

Thank you for your letter of 23 February on behalf of the Petitions Committee regarding P-04-686 which relates to installing traffic lights at the Cross Hands roundabout.

We are aware of the local concerns regarding this roundabout and have improved the lane markings during recent years with a view to reducing collisions. We are also undertaking a detailed collision mitigation study this year and I have passed this petition to my officials to be taken into consideration as part of this work.

In 2015/16 we provided funding of £1.325 million to Carmarthenshire County Council, through our Local Transport Fund, towards the cost of the Cross Hands Economic Link Road. The Council has also submitted a bid for continued funding in 2016/17. This new road will have a positive impact on the traffic flows at the junction.
