Dear *Mike,*

Thank you for your letter of 28 March regarding an update on the outcome of discussions on the Penegoes Speed Limit Petition between the petitioner, Mr Bottoms, and my official.

I can confirm that my official, Mr Ed Burness, Network Management Division, contacted Mr Bottoms via email on 28 March to request a location map of the surveys he had undertaken by Gwynedd. Mr Bottoms responded with maps later that day along with further background information on the issues at the site.

Mr Bottoms and Mr Burness had a telephone conversation the following day and discussed what the Welsh Government will do with the data and what the community would ideally like done such as a reduced speed limit.

Mr Burness explained the background to setting speed limits. I have been informed that Mr Bottoms did not require any further response following his conversation with Mr Burness, however that he would make contact in the near future to seek a progress update.

I am pleased to confirm that our commitment is to include the site in the new Speed Limit Review commencing this summer 2017.

*Yours ever,
Ken*
