Welsh Government update on the 21st Century Schools Programme

Dear Llyr,

The Public Accounts Committee considered the 21st century schools and education programme in 2018 following an Auditor General's report. We received the enclosed update from the Welsh Government, on the progress of Bands A and B of the Programme and progress made against the Auditor General's Recommendations.

The Committee agreed that I would write to you as Chair of the Finance Committee to highlight the section on the Mutual Investment Model, which may be relevant to your Committee's work. I have written to the Chair of the Children, Young People and Education Committee about the general progress of the programme as well.

Yours sincerely,

Nick Ramsay AM
Chair
